FOR IMMEDIATE RELEASE

STATE ROUTE 238/MISSION BLVD. ROADWAY REHABILITATION PROJECT Weekend, Night Work Planned Between Niles Blvd. and Interstate 680

FREMONT/UNION CITY –Work continues for the State Route 238/Mission Blvd. Roadway Rehabilitation Project between Interstate 680 in Fremont and Blanche Street in Hayward. All construction activities are weather dependent.

Weekend, Night Work

Weekend work is planned in Fremont for northbound and southbound SR 238, between Interstate 680 and Niles Blvd., from 7 p.m. Saturday, August 13 to 1 p.m. Sunday, August 14. This work is intended to reduce the impact on traffic at Niles Blvd. and other intersections in the area. Residents should be aware that there will be some noise as this work proceeds near their homes. One lane will remain open at all times on northbound and southbound SR 238/Mission Blvd. However, the entrance to Niles Blvd. will be temporarily closed as the contractor works through this area. Please be alert for construction workers and Slow for the Cone Zone.

Construction Schedule

- Paving of the right lane and right turn pocket will continue, Monday through Friday, from 9 a.m. to 4 p.m. During this work, motorists will not be able to turn right at intersections where asphalt is cooling. They may have to drive a distance before being allowed to make a right turn, and may experience some delays at intersections due to the inherent slow speed of paving equipment. There will be flaggers to guide motorists and to direct the traffic flow, but motorists should expect delays and take alternate routes when possible
- Please note that project limits for this schedule could change, based on the progress made on any given day:
- On Thursday, August 11 paving of the right lane and right turn pocket will start at Las Palmas and proceed south to Interstate 680.
- On Friday, August 12, paving of the right lane and right turn pockets for northbound SR 238 will start at Interstate 680 and move north.

TRAFFIC ADVISORY

- Weekend work is planned between I-680 and Niles Blvd., from 7 p.m. Saturday, August 13 to 1 p.m. Sunday, August 14.

Ramp Closures

As work proceeds on Mission Blvd., the following Interstate 680 ramps may be closed as the paving crew works through the area. Work window for closures:

- The SR 238/Mission Blvd. on-ramp to southbound I-680 may be closed Thursday, August 11, from 9 a.m. to 4 p.m., and Friday, August 12, from 9 a.m. to 3 p.m.
- The southbound I-680 Mission Blvd./SR 238 off-ramp may also be closed Thursday, August 11, from 9 a.m. to 4 p.m., and Friday, August 12, from 9 a.m. to 3 p.m.

For more information about the project, please go to www.dot.ca.gov/dist4/238mission/, and please remember to “Slow for the Cone Zone.”
